

INVESTMENT BRIEFING / COUNSELLING

ABOUT THE EVENT

The Investment Briefing/Counseling Seminar is one of the action plans/programs of the Board of Investments (BOI) to assist investors. The seminar aims to equip the DTI and LGUs' frontliners with the knowledge and confidence to adequately answer investment-related inquiries from prospective investors. By enhancing the efficiency of the frontliners, the process of starting a business may be hastened, thereby encouraging more investments in their respective areas.

TOPICS

This half-day seminar will focus on the following topics:

- BOI Functions and IAS Services
- Tips to Become an Effective Frontliner
- Doing Business Without Incentives
 - Foreign Investments Act of 1991
 - Foreign Investment Negative List
 - Options for Entry
 - Investment Visa
- Doing Business With Incentives
 - Omnibus Investments Code of 1987
 - 2014 Investment Priorities Plan
 - Investment Incentives

TARGET PARTICIPANTS

Frontliners (Investment Promotion Officers /P ersonnel) of the DTI regional and provincial offices; local government units (LGUs).
